Critical Design Review

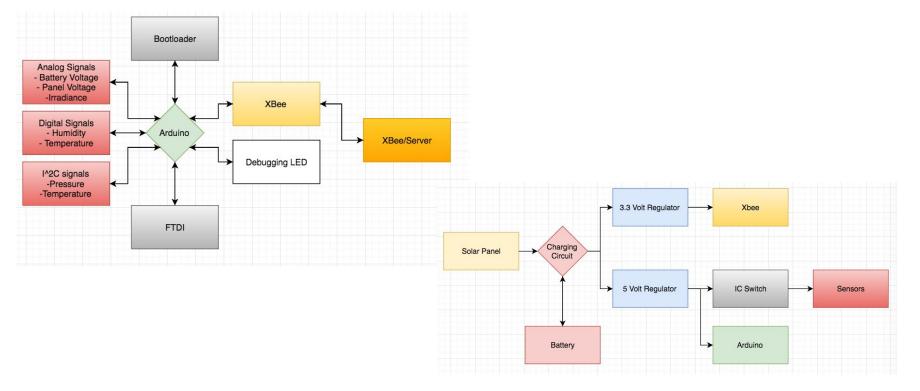

By Team Snapdragon Kyle Chan, Jonathan Lau, Akira Vernon

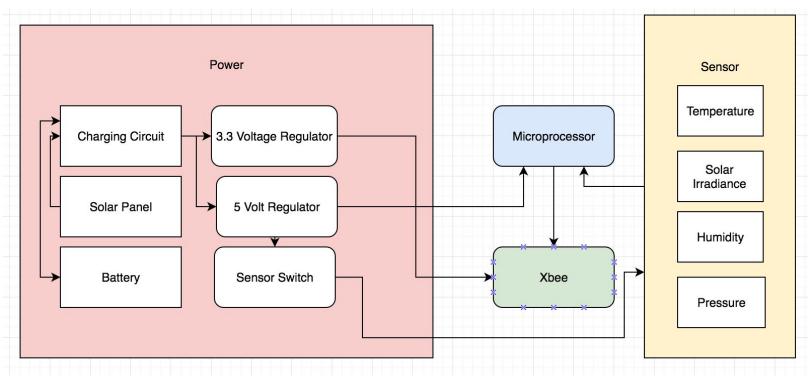

- Overall Block Diagram
 - Hardware
 - Software
- Firmware Algorithm
- Progress
 - PCB Design
- To be completed

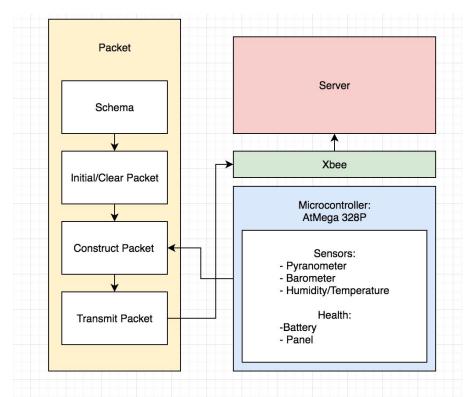

Hardware Block Diagram

Software Block Diagram

Firmware Algorithm

- Initialize Components

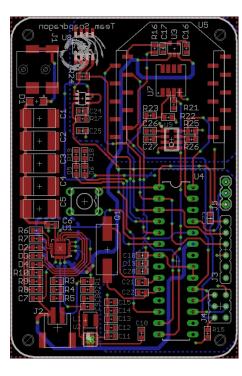

Loop:

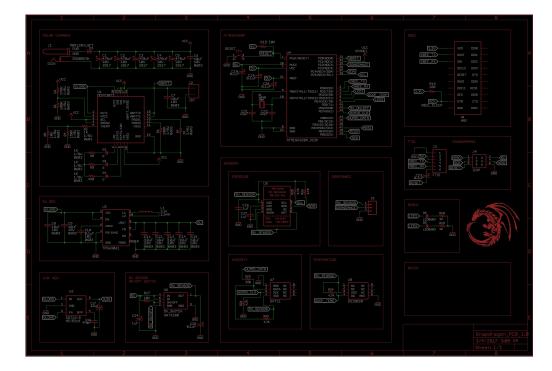

- Gather Data
- Initialize Packet
- Put Data into Payload
- Transmit Packet
- Clear Packet

- Complete the PCB Design
- Housing design
- Coding and XBee

- Housing Design
- Implementing Software Serial
- Mill PCB/Soldering

– Gantt Chart

Week	Spring Break	10	11	12	13	14	15
Date	3/27/2017	4/3/2017	4/10/2017	4/17/2017	4/24/2017	5/1/2017	5/8/2017
Proposal							
Design							
Final				Tentative*			
Demonstration							
Training							
Git/GitHub							
Arduino/Bare Arduino							
Eagle							
Modules
