Preliminary Design Review

Verification Team

March 5, 2016 May Chen and Kristie Lee

Overview

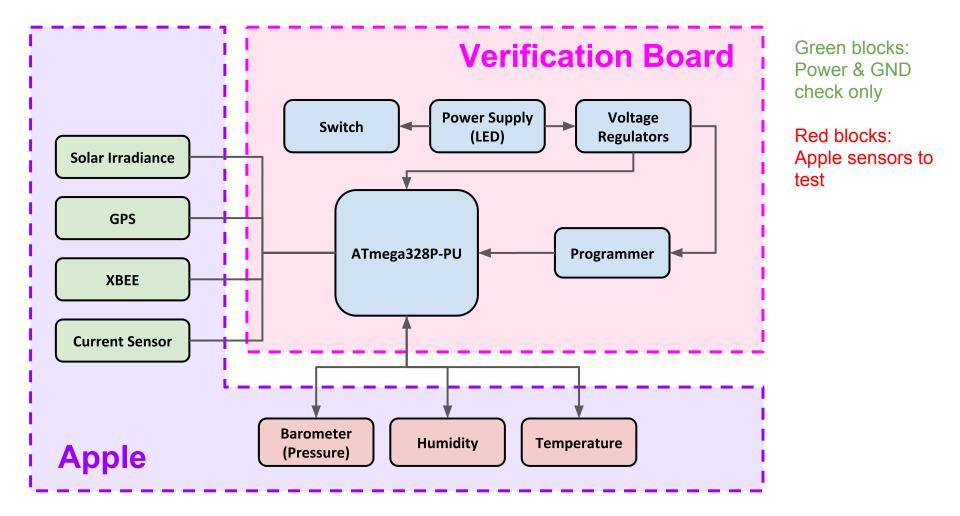

- Schedule updates
- Progress updates
- Issues encountered

Schedule Updates

	Verification Team Gantt Chart											
Week	5	6	7	8	Spring Break	9	10	11	12	13	14	15
Date	02 22 2016	02 29 2016	03 07 2016	03 14 2016	03 21 2016	03 28 2016	04 04 2016	04 11 2016	04 18 2016	04 25 2016	05 02 2016	05 09 2016
Presentations												
Proposal												
PDR												
CDR												
Final												
Verification												
Parts - Verification					Deploy Weather- boxes							
EAGLE - Verification												
Fabrication - Verification												
ocumentation - Verification												
Test - Verification												
Apple Test - Verification												

Progress Updates

- Standalone Arduino
 - Understanding programmer
- ✔ EAGLE schematic
 - Currently routing board
- ✓ Updated block diagram

Issues Encountered

- Previous understanding of board
 - Voltmeter
- Corrections to EAGLE schematic
 - Connecting to ADC

Thank you
